

MASTER OF SCIENCE IN EDUCATION: EDUCATIONAL LEADERSHIP

SCHOOL BUILDING LEADER (SBL) PROGRAM
SCHOOL BUILDING LEADER (SBL) / SCHOOL DISTRICT LEADER (SDL) PROGRAM

PROGRAM OVERVIEW

The Ralph C. Wilson, Jr. School of Education's educational leadership programs are designed for candidates who hold a New York state (NYS) teaching certificate and are seeking NYS certification at the school building, or school building and school district level.

Using an integrated approach by combining theory, authentic case studies, class discussions, candidates' experience, and internships, the programs address current and emerging issues impacting the quality of education. The integrated approach infuses theory with practice to support candidates to obtain the skills, knowledge, and values necessary to create optimum school conditions. In addition, the case studies and clinical experiences both teach and measure candidate competence against national and state standards.

The Ralph C. Wilson, Jr. School of Education is accredited based on the Council for the Accreditation of Educator Preparation (CAEP) Standards through 2026.
