 NURS 449: Senior Clinical Preceptorship

Fall_____ Spring_____ Year_____

Clinical Adjunct Faculty Reference Form for Travel Experience

Students that are in the second semester senior year have the opportunity to travel for their Senior Clinical Preceptorship experience. In order to be eligible to travel, students must meet several criteria. The following reference form focuses on professional behaviors and clinical abilities. We would also like to know about areas of strength and areas of concern.

All information will be treated confidentially.

Student Name: _____

Semester that Student was in Your Group: _____

**References only accepted from Senior 1 (S1) NURS 423 medical-surgical clinical faculty

Please rate the student on the following criteria:

Specific Skill/Attribute	Above Average	Average	Below Average
Attendance & Punctuality			
Uniform Policy			
Communication Skills (Patient, family and interdisciplinary team)			
Documentation			
Organization			
Clinical/Technical Skill Competence			
Problem Solving/Critical Thinking Ability			
Professional Attitude			
Initiative			
Independence			
Flexibility in Adapting to Change			

Please explain any of the above areas of strength or areas of concern for this student and how they may be beneficial or detrimental to this student travelling out of the area without direct Wegmans School of Nursing supervision.

Please place an X in one the following statements:

- _____ **I DO recommend this student for travel without reservation**

- _____ **I DO NOT recommend this student for travel for the reasons I have stated**

Clinical Faculty Name: _____

Clinical Faculty Signature: _____

Date: _____
